Everyone welcome
Further details to follow

Health and Safety:

Can all parents ensure the nursery has up to date contact details in the event of an emergency.

Please can we ask parents to collect the children from inside the nursery units rather than from the doorway, as keeping the door open can cause confusion and may lead to children coming out unaccompanied.

Can all parents be aware of their child's session times and not arrive too early or late - this is for insurance and to ensure regulations are adhered to.

The morning sessions are **8.00 - 12.30/12.45**

The afternoon sessions are **12.45/ 1 - 5.45pm**

If you arrive early or collect late there will be additional charges applied

The theme for March, April and May
'We're going on a bear hunt' by Michael Rosen & Helen Oxenbury

The theme for June, July and August
'The very hungry caterpillar' by Eric Carle

All areas to be covered are clearly displayed in the nursery units.

Please feel free to contribute your ideas, resources etc
Parent home to nursery plans are available from your child's unit

If you would like to purchase a copy please see Claire for the available retailers.

Can parents from all units, please remember to bring their child suitable outdoor clothing - shoes, coats, sunhats.

OPEN TOED SANDALS/ are not permitted in nursery.

Can you ensure these are clearly labelled - this avoids confusion or loss of the items.

Please can we ask in warm weather sun cream is applied prior to nursery and we will top up later in the day.

We do suggest your child wears loose fitting cotton clothes - vest tops and strappy tops are not recommended

We will use (25+) sun cream but if your child has any skin allergies we would prefer you to provide a suitable sun protection cream.

Please see Claire if you require any further information.

SCHOOL/ NURSERY LEAVERS:

Although it may seem a while until September, it will be here before we know it.

Please remember we require a full calendar months notice.

We like to assist with the transition from nursery to school.

Your child's teacher is more than welcome to visit your child in the nursery.

We will distribute forms for you to complete so we can help with discussions around school, the school day etc

congratulations

Bethany on completing your NVQ 3 in childcare
